

## **Service Sheet**

### **Painting Choices**

Our products come in several color configurations. They are designed to be easily touched up with locally available paint or paint available from Brewer Fitness.

#### **Panels**

##### **Treadwall® FT series, Boulderboards (2019 and later)**

Clear coat: Use any water based clear coat to touch up.

##### **Treadwall® (pre 2019) and all Ledgewall® Panels**

Charcoal: Mix of ½ Battleship Gray – ½ Black colors  
Latex Acrylic Urethane floor enamel.  
Water based, applied with roller  
Use any matching latex for touchup, no need to be urethane reinforced  
Full repaint: gallon containers can be ordered from Brewer Fitness.
